Accountable Officer for Covert Signal Equipment

25X1A9a

1. Mr. [REDACTED], an employee of the Storage and Issue Section, Services Office, is presently Accountable Officer for overt Signal Corps equipment and supplies.

25X1A9a

2. Due to recent reorganization and the placing of all CIA property and warehousing responsibilities under the Executive and the Services Office, a certain amount of covert signal equipment will also be handled by the Storage and Issue Section. It is desired that Mr. [REDACTED] also be made accountable for the covert equipment.

25X1A9a

3. Therefore, it is requested that the security file of Mr. [REDACTED] be reviewed and that the undersigned be advised from a security point of view, whether or not this individual is approved by Inspection and Security for handling covert signal equipment.

4. An early reply will be greatly appreciated.
